separador
plateau de séparation

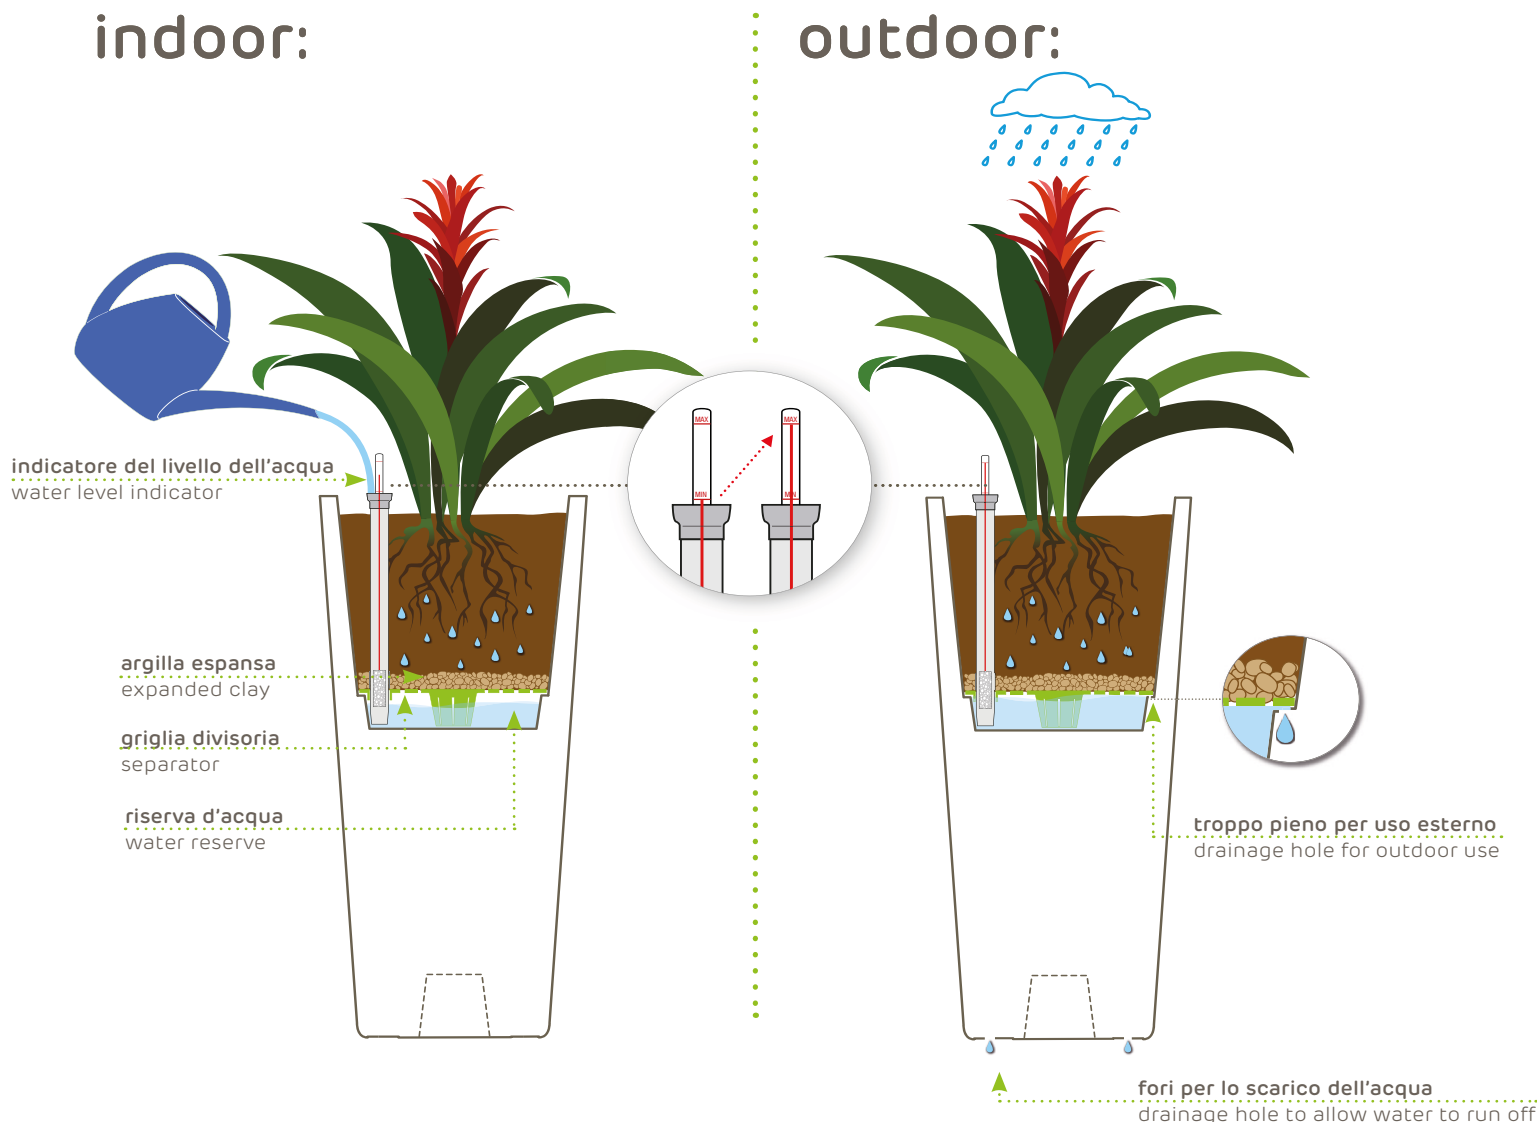

indicatore del livello dell'acqua
water level indicator
wasserstandsanzeiger
indicador del nivel de agua
indicateur de niveau d'eau

argilla espansa
expanded clay
blähton
arcilla expandida
argile expansée

indoor:

outdoor:

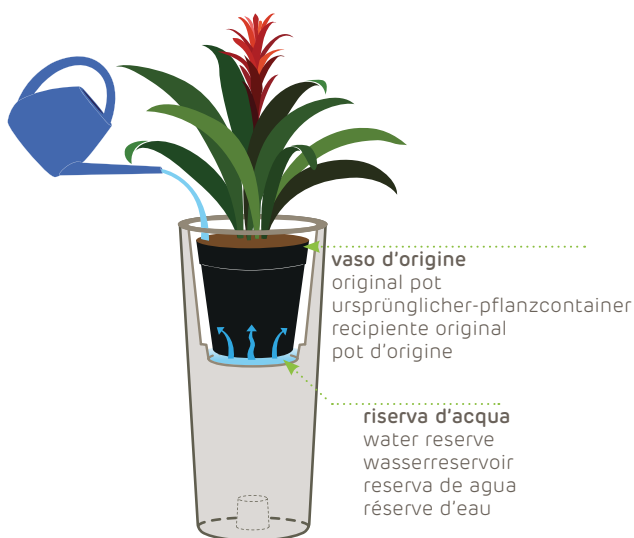

Pot was created to be used as cachepot. Place the plant and its container from the nursery inside the cachepot: it will act as a water reserve, so there will be no need for a saucer.

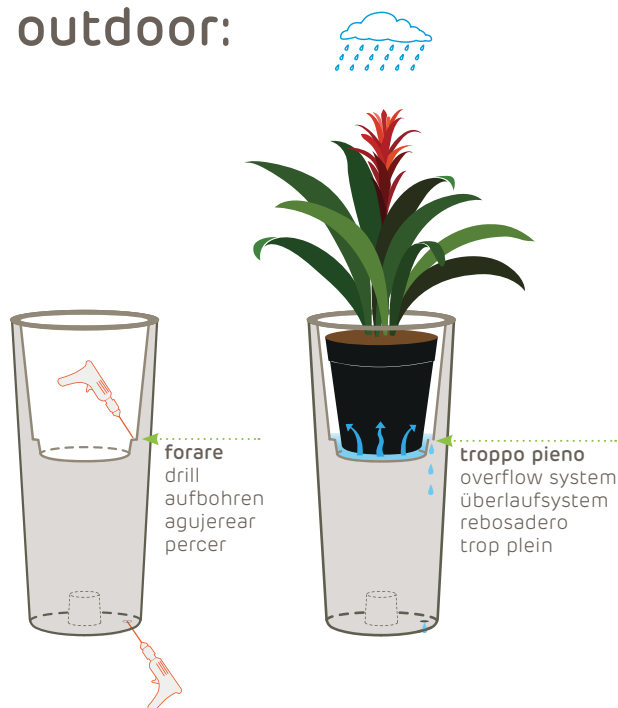

The pot comes with a container that fits snugly into the pot.
The product can be used as a cachepot (see illustration 1) or simply as a pot (see illustration 2).

1 coprivaso • cachepot • übertopf • macetero • cache-pot
